- b. **Grace Period for Payment Non-Compliance.** For at least 60 days after the effective date of such change, not impose any late fee, interest accrual other than normal interest, or other charge; furnish negative credit information; cause the loss of any benefit to the borrower or cosigner; or treat any payment that complies with the previous policy as late for any other purpose.

11. **Default Payment Processing Methodology for Loans Grouped for Billing Purposes.**

- a. Unless otherwise instructed by the borrower, for any payment or payments in excess of the total amount due across all loans in the billing group (“prepayment”), prioritize allocations to loans by the highest interest rate in descending order, provided, however, if multiple loans are at the same highest rate, first to unsubsidized highest rate federal loans and then to subsidized federal loans with that same highest rate.
- b. Unless otherwise instructed by the borrower, for any payment that does not satisfy the total monthly amount due across all loans in the billing group (an “underpayment”), allocate first to the most delinquent loan, then once all loans are brought to the same level of delinquency, to the loan with the lowest regular monthly payment, then according to the payment allocation methodology in Paragraph 11(a), above.

- c. Clearly and Conspicuously provide its default application and allocation of prepayments and underpayments methodologies on Navient's website(s) and in its billing statements. 14. Requirements Related to Advancement of Due Date. 15. Conformity to the Terms of Loans owned by the U.S. Department of Education. In the event that Navient is not servicing

federal loans owned by the U.S. Department of Education and the Department issues rules, regulations, change orders, or Dear Colleague letters addressing payment processing, application, or methodologies, at the option of Navient, Navient may apply such payment processing, application, or methodologies to FFELP Loans serviced by Navient, and servicing of FFELP Loans in conformity with such rules, regulations, change order, or Dear Colleague Letter shall be deemed in compliance with the provisions of Paragraphs 10-16 of this Order.

19. **Payment Histories.**

- a. Provide a written payment history to a borrower or cosigner upon request or provide the borrower with instructions as to how to access such history on Navient's website(s), at no cost to the borrower or cosigner, within 30 days of receiving the request to the extent practicable. This notice shall Clearly and Conspicuously include a web address for a U.S. Department of Education website where borrowers can obtain more information on PSLF and TEPSLF and provide contact information for Public Service Specialists.

29. Consolidating PSLF Eligible Loans. Defendants will not assist or advise that a borrower consolidate PSLF eligible loans without accurately informing the borrower about whether qualifying payments the borrower already made toward forgiveness of those loans will or will not be lost as a result of consolidation of PSLF-eligible loans. If Defendants send a borrower a consolidation application, they will include with that application a notice that accurately and Clearly and Conspicuously informs the borrower about any consequences that consolidation of PSLF-eligible loans may have on qualifying payments toward forgiveness on those loans.

30. PSLF Specific Disputes. To make this determination, the OCA-Public Service Specialists shall review the account history for all loans, including without limitation, if any, payment records, Electronic Fund Transfers, written and electronic correspondence, prior complaints or

escalated inquiries, phone calls and recordings, and notes related to phone calls, prior audits in which the borrower's account was identified as subject to a problem, records from prior servicers that are in Navient's possession, and any other information/documentation Navient typically reviews. The OCA-Public Service Specialist shall document their findings and communicate those findings and the reasons for those findings to the borrower in writing.

- b. If Navient finds evidence that supports a borrower's complaint that Navient made a contributing error, misrepresentation, or omission, Navient will acknowledge to the borrower that Navient made such error, misrepresentation, or omission.
- c. If the immediately foregoing Paragraphs 30(a) or 30(b) of this Order apply, Navient will communicate its findings and the reasons for those findings to the borrower's current servicer, copying the U.S. Department of Education, and encourage the servicer and the U.S. Department of Education to provide forgiveness or a correction to the borrower's qualifying payment count if the reason payments were non-qualifying may have related to an error, misrepresentation, or omission.

- d. If the borrower's complaint relates to having the right loan type but making payments under the wrong repayment plan, then the findings that Navient provides to the borrower shall include information about the potential relief available under TEPSLF.

31. Oral Communications Regarding Amounts Owed.

Implement or maintain policies and procedures to disclose to borrowers and cosigners, concurrent with any payment demand, the payment amount required to cure a borrower's delinquency or avoid negative credit reporting, and to permit borrowers to pay that amount without requiring borrowers to make any monthly payment prior to its scheduled due date.
